

Secteur du cadastre

Marche à suivre : Impression de plans par le guichet cartographique

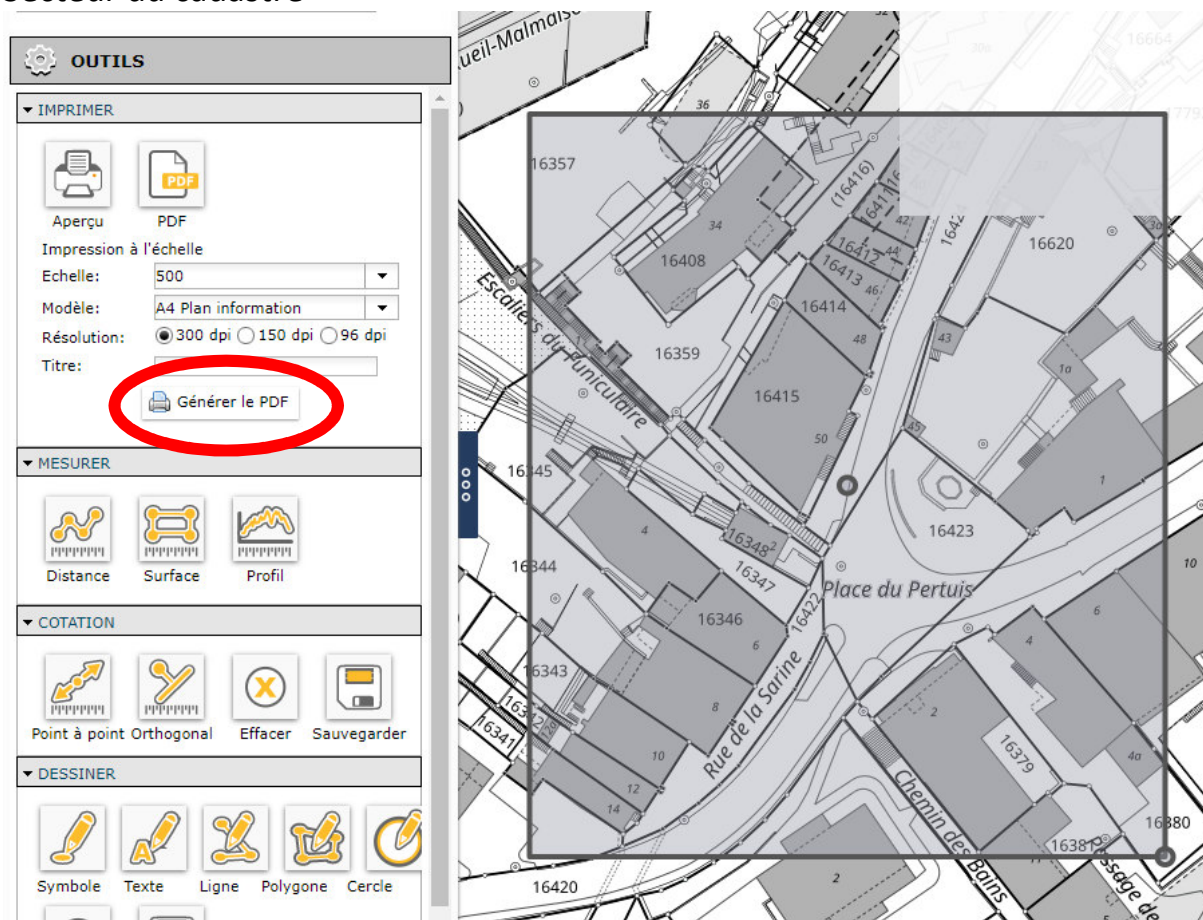

The screenshot shows the INTRANET interface for the City of Fribourg. The top left corner features the logo and the text "Ville de Fribourg INTRANET". Below this is a search bar labeled "Recherche (min. 1 numéro ou 3 lettres)". The "OUTILS" menu is highlighted with a red circle. The main area displays a map of Fribourg with various cadastral features overlaid. A yellow tooltip provides instructions: "Astuce: Fenêtre de zoom: Shift, cliquer en déplaçant la souris. Zoom in/out: molette de la souris. Information: cliquer sur l'objet." The map shows labels for various locations like Fochaux, La Foye, Granges-Pâcoul, and Fribourg.

The screenshot shows the "OUTILS" menu. The "IMPRIMER" section is expanded, showing two options: "Aperçu" (represented by a printer icon) and "PDF" (represented by a document icon with a yellow PDF symbol). The "PDF" option is highlighted with a red circle. Below this, the "MESURER" section is visible, showing three options: "Distance" (represented by a yellow line icon), "Surface" (represented by a yellow rectangle icon), and "Profil" (represented by a yellow line graph icon).
